

About us and our promises to you

A fresh approach

First Intuition was formed in 2007 by a group of former BPP directors with the aim of becoming the first choice accountancy college for employers and students.

With expert tutors, flexible study options, first class facilities & top quality customer service we are confident that our offering is the best in the country.

We have centres in London, Cambridge, Reading, Bristol, Chelmsford and Maidstone.

Why choose Maidstone

- * We offer **AAT, ACCA, ATT, CFAB, CIMA & ICAEW** tuition & revision classroom courses from our training centre at 89 King Street in central Maidstone.
- * We are the team who has already been providing professional education in Maidstone for many years and become renowned as the very best. We have a history and a **track record of success** - with past and present student recommendations and sitting upon sitting of exam success (including local Prize-winners) to support this claim.
- * Every tutor has at least 5 years **experience** & has taught the subject before.
- * **Top quality study materials** including course notes written by subject experts and on-line recorded lectures.
- * Our classrooms have **large desks** and extremely **comfortable seating**. We have freshly brewed tea & coffee (in real mugs with fresh milk!).

At First Intuition Maidstone we are focussing on the core values which will result in the provision of a first class, high quality experience both in and out of the classroom for students and clients alike.

This is and always has been our passion - a local business, with a local team meeting the demands and exceeding the expectations of the local market.
