

Our Pass Assurance Scheme

We believe that we have the best Pass Assurance scheme in town. More flexible and less restricted for a **true peace of mind**.

- * If you were to fail a paper then you can attend unlimited further courses for that paper, taught or revision, with us until you pass - NOT just for the next sitting.
- * The key criteria is to have 100% attendance on the taught and revision course for the paper - NO further conditions with respect to the submission of or performance in course exams.

Recommend a Friend Scheme

- * Existing students can earn £25 cash for every friend they recommend for every course that they book.
- * The Friend also gets £25 cash too!
