

Study CIMA with First Intuition

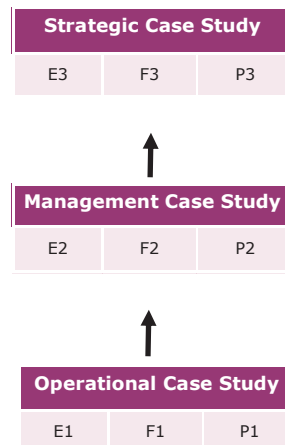

"The CIMA syllabus is diverse and challenging. Our dedicated team will provide the highest level of support and ensure you progress through the qualification."

Ben Bullman, Managing Director

The CIMA professional qualification comprises 3 levels (Operational, Management and Strategic).

- The 3 levels must be completed in order.
- Each level has three core subjects and one case study.
- The Core subjects:
 - Taken on demand
 - Must be completed before the case study is taken.
- The Case Study exams:
 - 4 exam sittings every year
 - Must be completed before moving to the next level.

What's included?

All classroom courses include:

- Pre-printed course notes - *written by tutors to be clear and easy to follow*
- Practice and revision kit - *question bank of exam standard questions (additional revision kit provided on revision courses, different to the one provided on tuition)*
- Online lectures - *review lesson content again at home*
- Dedicated tutor support - *outside the classroom via email and telephone.*

Tuition Classroom Courses

Our tuition courses will guide you through the entire syllabus needed for the Core subjects and the Case Studies.

Revision Classroom Courses

Our revision courses will help recap and revise the syllabus together with question practice to help you achieve the tough pass mark needed.

Case Study Classroom Courses

Revision of all the Core subjects with a guided practice for applying your knowledge to Case Study style questions. Also includes mocks with debriefs and detailed script feedback.
