## Apprenticeships

At First Intuition you can study for your ICAEW Qualification on a government funded apprenticeship scheme. Our programmes are designed to give both the student and the employer all the benefits that the apprenticeship route can bring to the qualification. As well as experienced tutors each student is designated a Skills & Development Coach to guide them through their apprenticeship.

The **Level 4** apprenticeship route is a 15 month programme and incorporates the CFAB qualification.

The **Level 7** apprenticeship route is a 15 to 48 month programme and covers the full ICAEW qualification.

The delivery of the apprenticeship will be blended to include classroom delivery as well as online learning and skills days.
