## FI Go courses for Certificate and Professional level

**FI Online** includes all study materials as well as a series of recorded online lectures which help you work through the course notes and lecture examples. Our question banks are also available as a series of online tests which give you the chance to practice questions in the same style as the real exams.

**FI Online Live** includes all our standard online content but also gives you the chance to watch our live classroom sessions and participate in interactive Q&A with your tutor. With regular start dates, these courses offer a fixed structure and help you stay on track with your studies.
