

## Why choose us?

- \* **experienced tutors** with over 100 years teaching experience between them
- \* **weekday & weekend courses** offering the flexibility to swap between the two
- \* **free retake course** under our success guarantee scheme
- \* **personal service** onsite experienced customer service team
- \* **great pass rates** consistently above the national average in all subjects

## Which way to study?

*Personalise your studies with our flexible course options. With CIMA now on demand, you can combine FI Classroom, FI Online Live and FI Online to suit your study needs.*

*Our timetable will give you the freedom, flexibility & affordability to choose a course suited to your needs whichever exam you are working towards.*

**FI Classroom** - Our courses are perfect if you like to stay motivated and on track with structured tuition – attending one of our classroom courses is the perfect way to escape life’s distractions and focus on your studies. Plus the opportunity to socialise and network with your peers makes an FI Classroom course a great way to study for your next exam.

### What's Included?

- ✓ *Tutor led classroom tuition - All of our tutors have years of experience in industry; so your tutor-led tuition will be packed with real-life examples that apply directly to your work*
- ✓ *Full set of course materials including a question bank to practise from and boost your confidence*
- ✓ *Pre-recorded online lectures covering everything you need to prepare for your exam accessed via our online learning platform*
- ✓ *Online progress tests and marked mock exams with individual feedback*
- ✓ *Unrestricted support by phone and email from expert tutors – or pop into the office during break for a chat!*

1 Aire Street, Leeds, LS1 4PR

**FI Online** - FI Online is our flexible online learning course that gives you complete control over your studies with all the support of FI tutors. You will learn by following a structured online course using pre-recorded online lectures (recorded by our expert tutors using the course notes we will deliver to your door).

**FI Online Live** - FI Online Live courses allow you to join an expert tutor and your peers from your workplace, home or anywhere you have internet access. Our Online Live courses provide great structure to your learning. You will learn by attending regular tuition sessions (via your PC or mobile device).
