Evening courses will run as Virtual Classroom until March 2021.

The health and wellbeing of our learners and staff is at the forefront of any planned return to the classroom. Our aim is to be back in the classroom in 2021. With the continued uncertainty and government restrictions we will be offering virtual classroom options for all courses. A robust support model will ensure that virtual learners have the same experience as they would if they were in the classroom.

We hope to be able to offer full physical classroom delivery as soon as we can and will continue to monitor the situation regularly and communicate any decisions on a timely basis.
