Studying AAT with First Intuition

First Intuition is a specialist accountancy tuition provider, offering several study packages to suit your study needs and budget. We offer exam-focused learning materials and a high level of study support to help you pass your exams first time.

What is FI Online Live?

Get the best of both worlds! Our AAT Live Online courses combine a structured classroom schedule with the flexibility of studying from your workplace, home or anywhere you have internet access.

Within each session, one of our expert tutors will teach you the core syllabus areas, using their years of experience and webinar technology to bring each subject to life. We provide you with all the physical materials you will need prior to the course (including course notes) to support your learning, just like in one of our traditional classroom courses.

Who is it for?

Online live courses are suited to individuals who want the benefits of being in a classroom with a structured approach, with the benefits of studying in your own home.

What is included?

- Interactive classroom sessions via online.
- Receive our market leading materials delivered to your door in time for your first class.
- Marked mocks and assignments with full feedback – so that you can test your knowledge, focus your studies and keep on track towards passing your next exam.
- Access to your own dedicated tutor outside of the live sessions who will answer questions/queries including evenings and weekends.
- Full access to MyFI so you can listen to our pre-recorded lectures if you need to refresh your memory on a specific area.
