

CIMA Unlimited Packages

We are offering a complete programme of study and support for the entire level that will provide everything you need to complete your next CIMA level at an extremely attractive price.

Why CIMA Unlimited?

-  **01** Unlimited access to any FI online course at Certificate, Operational, Management and Strategic level. Choose Online Live or Online courses for every paper at that level and attend a course a second or third time at no extra cost if you need extra help or support.
-  **02** Online Live courses are available in the evenings or during the day, so there is plenty of choice - build a plan that works for you.
-  **03** A kick-off call with an expert tutor to create a plan that works for you. You will then have a coaching call every 6-8 weeks to help you stay on plan, address any burning issues and keep you moving forward.
-  **04** In addition, you will be eligible for a 20% discount on any FI classroom courses you wish to attend. Our Unlimited study programmes are available for each level, offering a saving of up to £710 per level against buying Online Live courses individually.

What our students say about us

"Highly recommend. Fantastic, the materials are really useful and the support available is fantastic, I have used FI for the Operational and Management level and will use again for the Strategic."

Michele Brewis, CIMA E2 FI Online

"Very prompt service, I received my online course invitation via email very quickly and the course notes followed shortly after a few days later by courier. The courses are broken up into manageable sections and regular question banks that work well for me. Now that I have passed my Operational level I have now signed up for my first two CIMA Management modules with First Intuition also."

Karen Smith, CIMA P1 FI Online
