

# STUDENT CODE OF CONDUCT

At **First Intuition**, we are committed to supporting all our students to study in a welcoming and safe environment, where there is mutual respect for all. As such, we ask that our students follow the below code and show tolerance and respect for all.

## PRINCIPLES OF PROFESSIONAL BEHAVIOUR

- \* Avoid distractions that interfere with your learning and / or distracting others from learning.
- \* Make good use of your tutors - ask questions and access additional support when needed.
- \* Complete your work on time - we allocate resources to mark this and feedback to you promptly.
- \* Attend all scheduled lessons where at all possible and let your tutor and/or coach know if you cannot attend.
- \* If you are struggling do reach out to your Skills and Development Coach in the first instance.
- \* Try to turn up to lessons on time and with the correct study materials. If you are late, please enter the classroom as quietly as possible to minimise disruption.
- \* If you need to leave a lesson early, then please let your tutor know and do so in a way that minimises disruption.
- \* Debate topics and contribute to class discussions, but also listen to others' opinions.
- \* Be polite and respectful to everyone including other students, tutors and support staff.
- \* Respect other people's differing faiths and beliefs.
- \* Our dress code is appropriate to a professional learning environment.
- \* Please turn your phone off or on silent at the start of the lesson. If you must text or take a call during the lesson, please make your tutor aware and try to respect the boundaries between work and study.

## STAY HEALTHY AND SAFE

- \* Ensure you know our fire evacuation procedures and what to do in the event of an emergency. If evacuated, follow the procedures and go to the rendezvous point.
- \* If using equipment in centre such as the coffee machines and microwaves, do so safely. Ask a First Intuition team member if unsure.
- \* All our centres are non-smoking. This includes vaping. Please only do this in designated areas at designated break times.

## PROTECTING YOUR MENTAL HEALTH

- \* Your mental health and wellbeing are important to us and as such we have a selection of resources available on the FI Hub which can be found [here](#).
