

ICAEW Course Information

ICAEW is a world leading professional membership organisation that promotes, develops and supports chartered accountants and students worldwide.

The first 6 papers (certificate level) are sat within 6 months. These papers are on-demand exams which means that you can sit the exams when you are ready at FI.

The 6 professional papers we teach towards sittings in June and December. Normally, students sit 2 at a time. They have scheduled exam dates and must be booked via ICAEW. The exams will be sat at a centre that is provided by ICAEW.

The final 3 advanced stage papers can be sat together or individually at sittings in July and November. Again, these exams will be sat at a centre that is provided by ICAEW.
