

CIMA Unlimited Packages

We are offering a complete programme of study and support for the entire level that will provide everything you need to complete your next CIMA level at an extremely attractive price.

Why CIMA Unlimited?

-  **01** Unlimited access to any FI online course at Certificate, Operational, Management and Strategic level. Choose Online Live or Online courses for every paper at that level and attend a course a second or third time at no extra cost if you need extra help or support.
-  **02** Online Live courses are available in the evenings or during the day, so there is plenty of choice - build a plan that works for you.
-  **03** A kick-off call with an expert tutor to create a plan that works for you. You will then have a coaching call every 6-8 weeks to help you stay on plan, address any burning issues and keep you moving forward.
-  **04** In addition, you will be eligible for a **20% discount** on any FI classroom courses you wish to attend. Our Unlimited study programmes are available for each level, offering a saving of up to £710 per level against buying Online Live courses individually.

“The course materials are comprehensive and easy to follow. The online sessions were first rate with knowledgeable tutors”

What our students say about us

"The course is excellent, instructive, and has deepened my knowledge of accounting in business."

Arron Groombridge, CIMA BA1 FI Online

"Highly recommend. Fantastic, the materials are really useful and the support available is fantastic, I have used FI for the Operational and Management level and will use again for the Strategic."

Michele Brewis, CIMA E2 FI Online

"Very prompt service, I received my online course invitation via email very quickly and the course notes followed shortly after a few days later by courier. The courses are broken up into manageable sections and regular question banks that work well for me. Now that I have passed my Operational level I have now signed up for my first two CIMA Management modules with First Intuition also."

Karen Smith, CIMA P1 FI Online

"Love the online FI Anytime courses can study around work. However, comfort of being able to speak with a tutor if required. Excellent!!"

Phillip Toye, CIMA P1 FI Online
