Audit and Assurance: Summary of corrections to course materials

These changes affect version V002 of the materials.

Course Notes and Questions

No changes.

Task Bank and Mocks

Task 3 Revision Example 2

Replace the word "collusion" with "collude" in the picklist for part (b).

Mock 1 Task 1 b

Replace "positive" with "reasonable."

(The expression would be a positive expression, but the level of assurance would be reasonable.)

Mock 2 Task 3

This task has been replaced following feedback that the internal audit scenario was confusing.

Banded mark schemes

These will no longer be used by the AAT, so we have removed these from our solutions.
