Management accounting techniques: Summary of corrections to course materials

These changes affect version V004 of the materials.

Course Notes & Questions

Chapter 18 page 478

We have updated our guidance on screen prints to say:

Since we published our materials, we discovered that the AAT have disabled the screen print function in their assessment software. You will **not** be required to do screen prints in your assessment.

You may still be asked to do this in our practice questions and mocks, because it is helpful for your tutor to check that you have followed the correct steps.
