

# HOW TO USE THE STUDY PLAN TRACKER

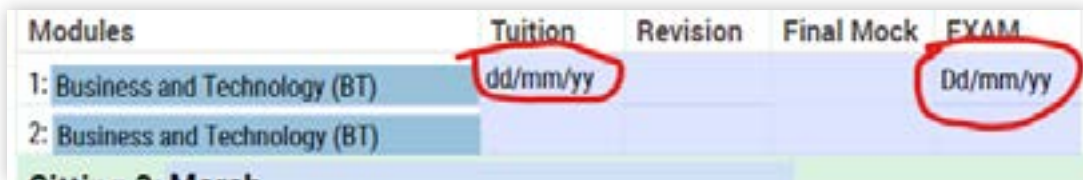

1. Write in the year you are planning by clicking into the blue square next to 'YEAR'.

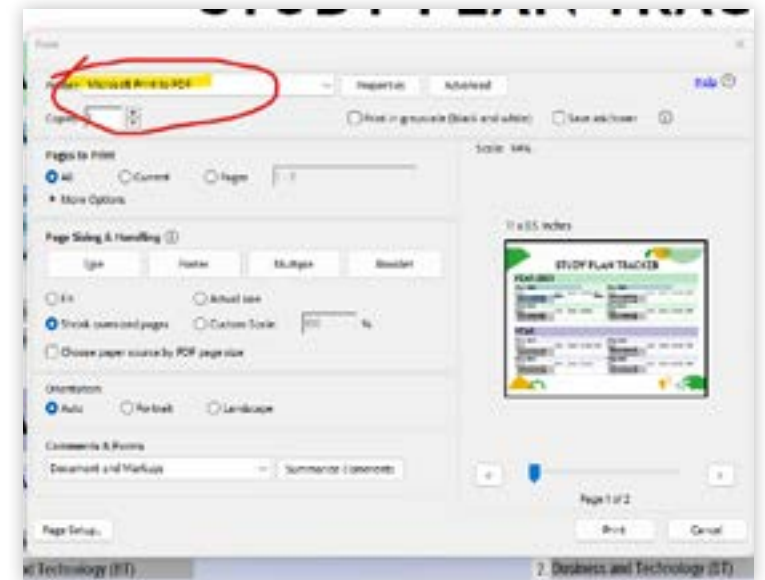

2. Under each sitting and module column, use the dropdown list to select the module you will be studying for and the exam sitting.

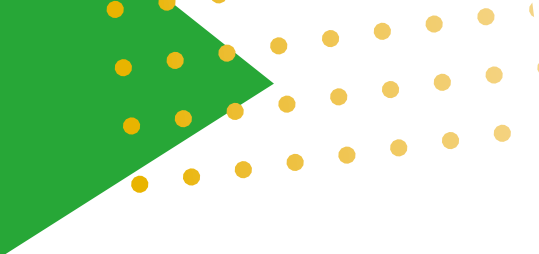

3. Click and type in the dates for your courses, final mock and exam date.

4. Save the Study Plan Tracker as a PDF, print it out and display it somewhere you will see it often. You could also save it as your desktop background for an easy reminder of your important dates.
