What our students say about us

"Highly recommend. Fantastic, the materials are really useful and the support available is fantastic, I have used FI for the Operational and Management level and will use again for the Strategic."

Michele Brewis, CIMA E2 FI Online

"Very prompt service, I received my online course invitation via email very quickly and the course notes followed shortly after a few days later by courier. The courses are broken up into manageable sections and regular question banks that work well for me. Now that I have passed my Operational level I have now signed up for my first two CIMA Management modules with First Intuition also."

Karen Smith, CIMA P1 FI Online
