How to approach your ACCA qualification studies with us

We expect an 8-10 week period to be sufficient to learn everything you need to know and build your confidence through question practice.

For every paper your best chances of success are to follow these simple steps:

Step 1 - attend an FI Tuition course

Step 2 - attend an FI Revision course

Step 3 - ensure you complete the FI Final Mock

If you can't attend a tuition course, our [FI Online](#) courses allow you to progress at your own pace, but we really recommend you attend tutor-led revision and question practice to maximise your chances of success.
