

ACCA Course Information

Computer Based Exams

We offer sittings for CBE's at 10:00 and 14:00 on Monday, Wednesday, Thursday and Friday.

Courses Information

For course information, see the level page you are interested in.

For the March and September exam sittings, only short revision courses are offered. Typically, these are attended by students looking to extend their study period, e.g. a student would attend a Tuition course in March but then leave the revision course until August to sit the exam in September.

Keeping In Touch Sessions

Following the positive feedback and the success of our KIT sessions during the COVID pandemic, we have now decided to incorporate these into our ACCA programme. These are included as part of our tuition courses.

2 evening sessions per paper, delivered via MS Teams. These are designed to ensure that students are staying on track with their studies, providing a forum to ask questions directly to the tutor, re-capping harder areas of the syllabus, pre-revision question practice and looking at exam techniques.

Course Times

Tuition & Revision Courses - 9am to 4:15pm **Keeping In Touch Sessions** - from 6pm
