Level 2 Certificate in Bookkeeping

The Level 2 Certificate in Bookkeeping is a short qualification that gives you a thorough foundation in bookkeeping and basic accounting practices, including double-entry bookkeeping. The qualification is made up of two units from Level 2, Introduction to Bookkeeping and Principles of Bookkeeping Controls. Once you have passed these two assessments you can continue to complete the full Level 2 Certificate in Accounting, Level 3 Certificate in Bookkeeping or follow on to start the Level 3 Diploma in Accounting.

Level 3 Certificate in Bookkeeping

The aim of this qualification is to provide students with advanced bookkeeping skills necessary to work in a bookkeeping role or to progress to a higher level accountancy. This qualification will ensure you understand advanced bookkeeping principles and concepts, preparation of financial statements for sole traders and partnerships and issues around indirect tax (VAT in the UK) in business. The Level 3 Certificate in Bookkeeping is made up of 2 units from the Level 3 Diploma in Accounting and assessed in two end of unit assessments (Financial Accounting: Preparing Financial Statements and Tax Processes for Business). Students completing the Advanced Certificate in Bookkeeping can go on to study the full Level 3 Diploma in Accounting if they wish.

On completion of the Level 3 Certificate in Bookkeeping you can apply to become an AAT Bookkeeper and gain immediate recognition of your achievement with the letters AATQB after your name.
