How to approach your ACCA qualification studies with us

We expect an 8-10 week period to be sufficient to learn everything you need to know and build your confidence through question practice.

For every paper your best chances of success are to follow these simple steps:

- Step 1** - attend an FI Tuition course
- Step 2** - attend an FI Revision course
- Step 3** - ensure you complete the FI Online Mock

If you can't attend a tuition course, our [FI Online](#) courses allow you to progress at your own pace, but we really recommend you attend tutor-led revision and question practice to maximise your chances of success.

"I live in Sydney, Australia and moved over here 3 years ago. Up until 6 months ago I was really struggling to find a good online provider of ACCA study materials and support.
