*All CIMA CGMA Case courses begin with two tutor-led technical days, focused on the relevant pre-seen and discussion of key examinable areas. This will be followed by your first mock exam (day 3 of the course). There will then be a further day of tutor-led revision before two final mock exams (days 5 and 6 of the course). The mock exams will be hosted virtually and allow you to practice the case study under exam conditions, following which you will be able to access the online debriefs for the mocks. Your attempt will then be tutor-marked with personalised feedback provided on exam technique and your development areas.
