The programme aligns with globally recognised professional accountancy ICAEW qualification, as well as providing structured support and guidance for each apprentice's wider development.

The funding cap for the Level 7 Accountancy Apprenticeship for Accountancy Professionals has been set at £21,000. This can be funded via the apprenticeship levy for levy-paying employers. Non-levy paying employers can be funded 5% contribution and the government will pay the remaining 95%. ACA student fee and exam fees are not included.
