

AAT Level 2 Certificate in Accounting - ONLINE LIVE

Cost—£1,950 inc VAT

EVENINGS 6.15PM – 8.45PM

Available over 12 interest free instalments*

DAYS 9.30AM - 12PM

This qualification is suitable for anyone wishing to study accounting and finance whilst also developing a range of business and personal skills. This qualification is suitable for anyone wishing to develop a career in accountancy or finance but is also useful for those already employed and looking for recognition of their existing skills. The qualification covers a broad range of core accountancy skills alongside business and personal skills. Key themes of technology, ethics, sustainability and communication underpin the syllabus with learners developing skills in double entry bookkeeping, understanding of accounting software, basic costing as well as the environment that businesses operate in.

AAT Level 3 Diploma in Accounting - ONLINE LIVE

Cost—£2,900 inc VAT

EVENINGS 6:15PM—8:45PM

Available over 12 interest free instalments*

DAYS 9.30AM—12PM

This qualification is a progression route for learners who have completed the level 2 qualification or those with practical experience in the workplace looking to gain formal recognition of their skills. The syllabus will assist learners in preparing accounts for both sole traders and partnerships, will build on knowledge of cost and management accounting as well as taking a first look at taxes with a more in depth look at businesses and the environment they operate in. Key themes of technology, ethics, sustainability and communication underpin the syllabus. Not sure what level to start with? Take our free Level Checker Quiz [here](#).

What is FI Online Live?

Get the best of both worlds! Our AAT Live Online courses combine a structured classroom schedule with the flexibility of studying from your workplace, home or anywhere you have internet access.

Within each session, one of our expert tutors will teach you the core syllabus areas, using their years of experience and webinar technology to bring each subject to life. We provide you with all the physical materials you will need prior to the course (including course notes) to support your learning, just like in one of our traditional classroom courses.

Who is it for?

Online live courses are suited to individuals who want the benefits of being in a classroom with a structured approach, with the benefits of studying in your own home.

New FI Online Live Demo video - available to watch [here](#)

What is included?

- Interactive classroom sessions via online.
- Receive our market leading materials delivered to your door in time for your first class.
- Marked mocks and assignments with full feedback – so that you can test your knowledge, focus your studies and keep on track towards passing your next exam.
- Access to your own dedicated tutor outside of the live sessions who will answer questions/queries including evenings and weekends.
- Full access to FI Learn so you can listen to our pre-recorded lectures if you need to refresh your memory on a specific area.
- With our pass guarantee, we will support you for as long as you need, and you can attend as many classes as you need to (terms and conditions apply)

READY TO BOOK? Please click [here](#) to view our available courses to get started.

* Instalments are only available to self-funding students, employers will be invoiced with 30 days to pay. If an instalment plan has been agreed, the customer (who must be aged 18 or over) will be required to sign up to a direct debit scheme. Direct debit plans can only be accepted from customers with a UK bank account

All our AAT courses now come with a **free Xero Advisor Certification**, the leading accounting software which is becoming high in demand from employers who require knowledge of Xero. Increase your employability and stand out from the competition with this bonus certification! Xero Advisor Certification shows you how to use all the core features of Xero to help you advise your clients. From setting up to bank reconciliation, right through to reporting.
