

FI Online ICAEW Courses

Course Level

What's Included?

Certificate Professional Advanced

Course notes and ICAEW workbook and question bank

Assurance, Risk and Reporting, Tax Compliance and Planning and Corporate Reporting, Data and Assurance will include the permitted texts. There are no course notes for Case Study.

Recorded lectures covering all of the notes

These cover the entire notes, providing the knowledge needed to start your question practice.

Named tutor support and contact details

Each course has an allocated tutor who will be in regular contact with you and available should you have any questions regarding the content of the course.

Recorded questions debrief

A range of past exam question debriefs will help you understand the key exam techniques needed to pass the exam.

Marked course mocks

For the Certificate level there are two CBA mocks available. For the Professional level there is one question marked and a separate marked mock. For Advanced level there is one marked mock exam.

[Revision preparation sessions*](#)

N/A

Each session is 1.5 hours long running from 5pm-6:30pm. For the Professional level there are two for each course. There will not be any sessions for the FCS course. For the Advanced level there is one session for CR SBM and Case Study. These sessions will only be available for the new syllabus for the Professional level in 2026.

*The CR and Case sessions will be a walkthrough of the advanced information.
